# Addition and Subtraction Colouring Sheet 

Grade 2 - Mathematics

## Addition and Subtraction Colouring Sheet

## Lesson Details

| Grade Level: | 2 | Curriculum Links: | Mathematics, Visual Arts | Time Needed: |
| :--- | :--- | :--- | :--- | :--- |
| Learning Goal | To gain practice and confidence in math by solving math problems to colour an image <br> of two turtles. |  |  |  |
| Success Criteria | By the end of this lesson, students will have successfully completed the worksheet. |  |  |  |
| Specific <br> Expectations | Mathematics - Operational Sense <br> $\bullet \quad$ Solve problems involving the addition and subtraction of whole numbers to 18, <br> using a variety of mental strategies. |  |  |  |
| Visual Arts - Elements of Design |  |  |  |  |
| $\bullet \quad$ Secondary colours mixing colours with a limited palette; |  |  |  |  |
| $\bullet \quad$ Repetition of colour and shape in patterns. |  |  |  |  |

## Lesson Description

$\left.\begin{array}{|l|l|}\hline \text { Overview } & \begin{array}{l}\text { Students will solve math problems to discover the colours needed to complete the } \\ \text { image of the turtles. }\end{array} \\ \hline \text { Activity } & \begin{array}{l}\text { 1. Hand out the worksheet and colouring supplies to the students. } \\ \text { 2. Students will work independently to complete the worksheet. } \\ \text { 3. Optional: Display the worksheets around the classroom for the students to } \\ \text { admire. }\end{array} \\ \hline \begin{array}{l}\text { Background } \\ \text { Information }\end{array} & \begin{array}{l}\text { Blanding's Turtle: Bright yellow neck, highly domed carapaces (upper shell), many } \\ \text { irregular radiation dots (small and discrete) on their shells, large black symmetrically } \\ \text { arranged scutes (triangular sections). } \\ \text { Painted Turtle: Red colouring underneath carapace and on neck, yellow stripes on face, } \\ \text { smooth carapace, pale plastron (under-shell). }\end{array} \\ \hline \text { Blacklist Masters } \quad \begin{array}{l}\text { Worksheet (attached) } \\ \text { • For more information, please visit https://www.turtleguardians.com/sample- } \\ \text { page/id-turtles/ }\end{array} \\ \hline \begin{array}{l}\text { Place-Based } \\ \text { Learning }\end{array} & \begin{array}{l}\text { Where can the students find a turtle in their community? Students are encouraged to } \\ \text { visit a natural are to find a turtle and to (from a distance) identify its characteristics. }\end{array} \\ \hline \begin{array}{l}\text { Inquiry-Based } \\ \text { Learning }\end{array} & \begin{array}{l}\text { Using Structured Inquiry, students will complete the worksheet. }\end{array} \\ \text { Ask the students: } \\ \bullet \quad \text { What does a turtle look like? } \\ \text { • Where can you find a turtle in your community? }\end{array}\right\}$

## Lesson Description

|  | region, and are able to adopt a wetland to monitor for turtles, birds, and other animals. |
